

CINETOOLS PRESENTS

PRANK

Cinetools presents Prank; The funniest SFX library ever made, which includes plenty of sound effects ready to complement your projects from the mood of a frenzied vintage animation scene to jumping jaunty comedy romp, quirky cartoon-style animations to mysterious & playful orchestral fantasy adventure!

Full of humor and exaggerated action, accented by comical sound effects and silly voices. Featuring truly unique thousands of sounds ready to give a creative range of options available to animators beyond the visual realm that you won't find anywhere else. This entertaining library contains everything from accents, animations, balloons, boings, bouncing, clangs, farts, horns, motion graphics, pranks, slides, smash & crash, swish & swoosh, synthetics, tones, transitions, twirls, vocals and more.. Whether you have a cartoon that you're looking to make more realistic or you just want to use cartoon sound effects, you'll find it all in our catalog and all are ready to help you to achieve perfect animations through!

In detail expect to find +9.5GB of high quality sounds including 4308 SFX divided into two main folders Designed SFX and Designer Tools. Every sound in the folder is recorded at 24bit / 192kHz, designed and delivered in industry-standard 24bit / 96kHz to ensure the highest quality for today's cinematic production needs. All the sounds in this library are perfectly categorized and labeled to make it easy for you to find them and to speed up your workflow with finding the right elements quickly to evoke a specific emotion you need!

We give you a powerful toolset to design your own unique sounds. Includes 3028 sounds recorded variety of real instruments such as; cello, glockenspiel, harmonica, kazoo, melodica, pan flute, violin and xylophone ideal for using slips, falls, springs and jumps scene. Contains various elements like balloons, bells, horns, toys, two type of whistles referee and slide whistle which is perfect for creating falling and climbing sounds, mechanics, some metal and plastic materials which is gives us perfect wobbling sounds ie, rulers, sticks, hands, spatula etc.. And lots of human voices with different actions like burp, choking, chuckle & giggle, fart, gargling, gibberish, laughing, mouth cheek / flaps / plop / pop / shake, quack, slurp, swallow, tongue click, whistle and yawning which are ready to support you to liven up your favorite character noises. If you'd like more creative control, dive into designer tools to create stunning animations from scratch.

Whether you're creating cartoons, animations, comedy movies, games, entertainment videos, or plenty of productions in between, Prank is a perfect library which will push your creative project to the next level! Each sounds in this library has just the right punch of comedy to make you smile, even without any visual context. Well check out funny cartoon sound effects today and get a little goofy with us!

LICENSE AGREEMENT

By downloading the library you accept the following license agreement:

LICENSE GRANT

This license is granted for a single user only (and is given on a worldwide basis). The license is non-exclusive and is granted for the full period of copyright protection and sound samples. No unlicensed use is permitted. All sounds and samples contained in this product are copyrights of Cinetools.

Cinetools allows you to use any of the sounds and samples in the library(s) you've purchased for the creation and production of commercial recordings, music, sound design, post production, or other content creation without paying any additional license fees. The Licensee may use the Sounds in combination with other sounds in music productions (which include soundtracks of such as films, video productions, radio/TV programs or commercials, computer games and multimedia presentations, library music), public performances, and other reasonable musical purposes within musical compositions.

The Licensee may modify the Sounds and may use the Sounds for commercial purposes as part of a musical composition with other sounds.

This license expressly forbids usage of Cinetools products (in particular samples, loops, cues) to create sounds OR other content for any kind of virtual instrument, sample library, sample-based product, musical instrument, or competitive products that are sold or relicensed to multiple third parties. In these scenarios the Licensee must arrange an extension with Cinetools.

In addition, "naked" or "isolated" samples, loops, cues are not to be sold or distributed as individually licensable "stripes", "work parts" or "elements" and cannot be used to create tracks for Library Music.

This license also forbids any unauthorized transfer, resale or any other form of re-distribution of this product, or its constituent sounds or programming, through any means, including but not limited to re-sampling, reverse engineering, de-compiling, remixing, processing, isolating, or embedding into software or hardware of any kind. You cannot electronically transfer the sound samples or place them in a time-sharing or service bureau operation or a computer/sampler network.

RIGHTS

Cinetools retains full copyright privileges and complete ownership of all recorded sounds, instrument programming, documentation and musical performances included within this product.

REFUNDS

Downloaded libraries can't be returned, so we can't provide refunds or exchanges - unless you have a faulty product. In this scenario, that product will be exchanged for the same product for a period of 30 days - PLEASE be aware that as soon as you've downloaded it, it can not be returned.

TERMS

This license agreement is effective from the moment the product is purchased or acquired by any means. The license will remain in full effect until termination by Cinetools. The license is terminated if you break any of the terms or conditions of this agreement, or request a refund for any reason. Upon termination you agree to destroy all copies and contents of the product at your own expense.

Licenses cannot be transferred or sold to another entity, without written consent of Cinetools.

By purchasing this product you agreed all the terms, conditions and limitations of use contained in this agreement.
