8 Bit Family

The sounds of the video game of the past that thrilled us at arcades and at home have now returned in an 8-bit anthology.

It has been over 25 years since the global disco sound boom of the 1970's "Saturday Night Fever" music scene. These disco sounds were unstoppable during the era, however they quickly faded do to their formulaic nature. By the '80s, disco was obsolete. During that period, the video arcade game phenomenon was conquering every coffee shop and mall around the world. The lo-fi "bit" sound was exploding in popularity, as the catchy sound of "Pac Man" and the like bleeped around the planet.

The library introduced here is the collection of sound loops from early, beloved video games. Despite the simple kitschiness, the 8-bit sound (a rectangle wave, a triangular wave, and noise), has become a treasured piece of pop culture, and is making a comeback in today's music.

"8 Bit Family" was crowned with "KEY BUY AWARD" by KEYBOARD magazine. This is the second such splendid achievement for Discovery; "The Legend Of China" received the first such award.

Tech Specs

- 371 Acid WAV
- 371 Rex2
- 27 EXS24 Programs
- 27 HALion Programs

Licence Agreement

Usage:

You can use any of the sounds here in your own musical productions without paying any further fees to the Artist or to Loopmasters. We would like to stipulate that if you use a sample from this product in your work, that you credit the Artist and Loopmasters in the credits that you supply with your music. We would also like to appeal to your better nature when it comes to piracy, and please ensure that no third parties have access to your sounds, besides being a criminal offence it also means that musicians don't get paid for the music they create for licensed users such as yourself. Thank you.

Copyright/Licensing Notice:

All Rights not expressly granted to the user are reserved. The sound samples on this compact disc/download pack are licensed, not sold, to you to be reproduced within your original musical compositions only. All copying, lending, duplicating, re-selling or trading of this product or its content is strictly prohibited. Only the original purchaser of this product has the right to embody and reproduce the enclosed sound samples within their music compositions. Use of these sounds in multimedia projects is limited to use within original musical compositions. Any other multimedia use of these sounds must be cleared with the producer of this product prior to release. This license is granted for a single user only (and is given on a worldwide basis). The licence is non-exclusive and is granted for the full period of copyright protecting and sound samples. You cannot electronically transfer the sound samples or place them in a time-sharing or service bureau operation or a computer/sampler network. Opening this product constitutes your acceptance of these terms. The demo songs contained on the CD remain the property of Loopmasters and you are not permitted to remix, re-release, or redistribute this demo material without written consent from Loopmasters.

About Loopmasters

Loopmasters officially launched early in 2003 with the aim of producing flexible sample libraries for producers and musicians who required top quality playing from seasoned professionals to integrate into and inspire their music.

Our challenge is to provide you with the best samples and music software that money can buy. Loopmasters Studio HQ is based in Brighton, England, a south coast town with a healthy music scene, and the producers that work on our material are of the highest quality, and come from all over the world.
