

Lounge & Chillout

The perfect lounge and chillout sample CD of single sounds, lounge loops, ambiences, soft pads, live and synth bass, special fx, percussion loops, soft key grooves and live samples to create the next generation of lounge and chilled out tracks.

Sublimely played drums and percussion, variations and single hits allow total flexibility whilst the instrument loops inspire and encourage experimentation.

If the music of Morcheeba, Zero-7 and Aim are your thing alongside rougher edged kruder and dorfmeister type smoking tracks then you have come to the right place!

The CD features live played drum loops superbly recorded with pan and light eq/fx, percussion samples and hits from real instruments, ethereal and lush pads and multis, instrument parts, live bass loops, variations, percussive samples, special fx versions, basic dubs.

About Loopmasters

Loopmasters officially launched early in 2003 with the aim of producing flexible sample libraries for producers and musicians who required top quality playing from seasoned professionals to integrate into and inspire their music.

Our challenge is to provide you with the best samples and music software that money can buy. Loopmasters Studio HQ is based in Brighton, England, a south coast town with a healthy music scene, and the producers that work on our material are of the highest quality, and come from all over the world.
