## About Loopmasters

Loopmasters officially launched early in 2003 with the aim of producing flexible sample libraries for producers and musicians who required top quality playing from seasoned professionals to integrate into and inspire their music.

Our challenge is to provide you with the best samples and music software that money can buy. Loopmasters Studio HQ is based in Brighton, England, a south coast town with a healthy music scene, and the producers that work on our material are of the highest quality, and come from all over the world.
