Dubstep Drum Loops

Dubstep Drum Loops from Prime Loops is the latest Sound Suite for producers of tomorrow looking to instantly incorporate the top 30 most up-to-date, DJ-ready Dubstep Drum Beats and Rhythms currently available.

Dubstep is one of the hottest new genres to emerge this decade with its spine-curdling basslines and intricate intoxicating rhythms continually capturing the crowd's imagination as the scene evolves, and providing a welcome shelter for many genres along the way. Dubstep Drum Loops from Prime Loops embraces the movement straight to the core, cutting through genres with a host of extremely creative drums loops a far step away from your average drum/snare/hi-hat drum loops.

Each loop is unique in its song-writing potential, showcasing an original display of future effects flawlessly melting into the addictive drum beats and percussive grooves which will ignite a multitude of creative inspiration to create cutting edge beats on many new levels. The drum loops found inside have been optimised to the highest standards and range from hard-hitting, bone-crunching dubstep breaks to sublime sonic digitised percussion loops, sporadic evolving drum beats to dubbed-out master rhythms.

If you want to get a feel for the content found inside this unique collection, check out the demo showcase which contains rhythms made entirely from this sound suite and feature vocals from our best-selling 'Rasta Vocal Samples' sample-pack. This brand new UK release captures the true essence of the Underground Dubstep movement, providing you with the solid backdrop needed to instantly drop club-ready beats into the mix for maximum impact every time.

About Loopmasters

Loopmasters officially launched early in 2003 with the aim of producing flexible sample libraries for producers and musicians who required top quality playing from seasoned professionals to integrate into and inspire their music.

Our challenge is to provide you with the best samples and music software that money can buy. Loopmasters Studio HQ is based in Brighton, England, a south coast town with a healthy music scene, and the producers that work on our material are of the highest quality, and come from all over the world.
