

Cult Club Synths

Cult Club Synths brings an exhaustive collection of 300 pads, leads, basses and hit patches to your sampler in an easy to load format.

If your current synth presets aren't doing the business, and you need something more synthetic or underground for your tracks, you have come to the right place. Cult Club Synths includes a huge collection of samples and patches created with the Access Virus, a synth known for it's power and versatility in dance production circles.

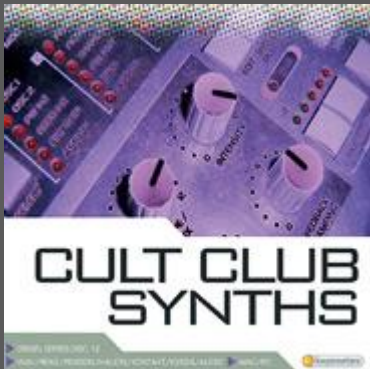

There are over 100 Arp Patches, 53 Bass Patches, 88 Lead Synth sounds, and 66 Pads, all have been programmed with the dancefloor in mind, just add a bit of your favourite effects and blend them seamlessly into your track! If you produce dance music, whether it's house, techno, breaks, euro, nrg, electro, or drum and bass – the chances are that you'll love the sounds available on this exclusive dvd, and as everything is pre-mapped and looped for you, you can stop wasting time and quickly find exactly the right sound to get the job done.

The package includes a DVD with 1,100 Wav samples, and patches for Reasons NNXT, Halion, Kontakt, EXS24, AkaiZ4-Z8, Gigastudio, and VSampler. An Auto installer utility is also included (PC Users) to get everything setup and working with your chosen music software within minutes.

About Loopmasters

Loopmasters officially launched early in 2003 with the aim of producing flexible sample libraries for producers and musicians who required top quality playing from seasoned professionals to integrate into and inspire their music.

Our challenge is to provide you with the best samples and music software that money can buy. Loopmasters Studio HQ is based in Brighton, England, a south coast town with a healthy music scene, and the producers that work on our material are of the highest quality, and come from all over the world.
