House Guitars

Sunsoaked funky grooves, passionate latin rhythms, smokey jazz chord progressions, filthy nu-rave licks, majestic worldly textures, twisted disco leads, warm acoustic jams, classic motown flavours and creamy electric guitar sessions... House Guitar Loops Volume 1 is our most celebrated release to date with 130+ world class recordings bursting with inspirational content

This authentic and highly original song writing package has been recorded in pristine 24-bit audio at our state of the art recording facility, and mastered with the utmost attention to detail, preserving the true natural sound of each individual recording.

A combination of 5 Guitarists including our extremely talented resident string-master Tom Warner, playing a variety of 2 acoustic, and 2 electric guitars through 3 high-end amplifiers created an intelligent blend of amazing material delivering innovative musical building blocks that will melt effortlessly into your mix.

You will find well over 100 guitar loops and variations inside; these are well complimented by over 20 Dry/Clean Major and Minor 7th chord samples for maximum flexibility.

House Guitar Loops Volume 1 can be used to create a vast amount of styles and genres, and comes in a variety of formats for adaptable tempo control. As with all Prime Loops sound suites each of the 130+ recordings are completely royalty free and perfectly suited to your releases and future media productions.

About Loopmasters

Loopmasters officially launched early in 2003 with the aim of producing flexible sample libraries for producers and musicians who required top quality playing from seasoned professionals to integrate into and inspire their music.

Our challenge is to provide you with the best samples and music software that money can buy. Loopmasters Studio HQ is based in Brighton, England, a south coast town with a healthy music scene, and the producers that work on our material are of the highest quality, and come from all over the world.
