Circuit Bent Toys

This awesome samplepack features the circuit bending of Oli Bell and his mad assortment of electronic toys which have undergone serious electrical trickery to create some amazing and highly useful samples and loops for music producers looking for something different and original to flavour their productions.

Whether you make TV/Film music, glitch, hip hop, techno or drum and bass, the circuit bent samples from the private studio/playroom/workshop of Oli Bell aka Hoodee are truly unique and previously unheard.

The Circuit Bent Toys samplepack contains 29 FX samples, 16 Glitches, 28 'Just Odd' Sounds, 43 Circuit Bent glitching loops and 28 Voice fx samples.

Using Circuit Bent childrens toys such as Texas Instruments Speak and Spell, V Tech, My First Words, ALphabet Apple, Sa-1 and many more besides, this samplepack was created exclusively for Loopmasters.

Tech Specs

- 144 Mono Loops and Hits of Circuit Bent Electronic Toys

Circuit Bent Toys

Please Note: When selecting the appropriate sample download version for your requirements the Zip (Full) format includes Acidised Wav and Rex2 Loops – all single (non looping) sounds and Sampler Patches for all compatible soft samplers listed. Apple Loops, Reason Refill and Ableton Live Packs contain all the samples from the collection, inc loops and single sounds. If in doubt we recommend you purchase the Zip(full) format which will work with Mac and PC computers, and with nearly all available music software packages.

Genres

Electronica and Glitch

Formats

Wav

Licence Agreement

Usage:

You can use any of the sounds here in your own musical productions without paying any further fees to the Artist or to Loopmasters. We would like to stipulate that if you use a sample from this product in your work, that you credit the Artist and Loopmasters in the credits that you supply with your music. We would also like to appeal to your better nature when it comes to piracy, and please ensure that no third parties have access to your sounds, besides being a criminal offence it also means that musicians don't get paid for the music they create for licensed users such as yourself. Thank you.

Copyright/Licensing Notice:

All Rights not expressly granted to the user are reserved. The sound samples on this compact disc/download pack are licensed, not sold, to you to be reproduced within your original musical compositions only. All copying, lending, duplicating, re-selling or trading of this product or its content is strictly prohibited. Only the original purchaser of this product has the right to embody and reproduce the enclosed sound samples within their music compositions. Use of these sounds in multimedia projects is limited to use within original musical compositions. Any other multimedia use of these sounds must be cleared with the producer of this product prior to release. This license is granted for a single user only (and is given on a worldwide basis). The licence is non-exclusive and is granted for the full period of copyright protecting and sound samples. You cannot electronically transfer the sound samples or place them in a time-sharing or service bureau operation or a computer/sampler network. Opening this product constitutes your acceptance of these terms. The demo songs contained on the CD remain the property of Loopmasters and you are not permitted to remix, re-release, or redistribute this demo material without written consent from Loopmasters.

About Loopmasters

Loopmasters officially launched early in 2003 with the aim of producing flexible sample libraries for producers and musicians who required top quality playing from seasoned professionals to integrate into and inspire their music.

Our challenge is to provide you with the best samples and music software that money can buy. Loopmasters Studio HQ is based in Brighton, England, a south coast town with a healthy music scene, and the producers that work on our material are of the highest quality, and come from all over the world.
