

## Minimal House

Loopmasters Proudly present the Minimal House Samplepack! If you need the latest Minimal House samples and sounds for your music this pack is full of all the material you will need for sublime Minimal House remixes and productions.

Minimal House strips house music down to a more minimal and sparse aesthetic, in the same vein as tech house. However, unlike tech-house minimal house slowly developed out of the minimal techno and glitch genres, producing a more complex and detailed sound.

Minimal House is somewhat obscure when compared to other genres of house and techno, but several cities including Cologne, Paris, the Bay Area, Detroit, and Chicago now have budding scenes, and with the minimal techno boom of the mid-00s, is now gaining great popularity in German, Canadian, Italian and Spanish clubs.

On top of this, several tracks have become major club hits recently, and the minimal scene is spreading fast throughout the big clubs and bars worldwide.

The Minimal House download pack from Loopmasters features a solid collection of 30 minimal house basslines, 60 Brand new Drumloops, 30 Glitching Musicloops, 9 Effect Loops, over 140 Drum samples, and 14 Effect hits!

Minimal House is made up of 284 Acidised Wav samples, 128 Rex2 Loops and 5 patches of Drum hits and Fx for Reason NN-XT, Halion, Kontakt, SFZ and EXS24 Samplers.

It can also be used easily with Stylus RMX and nearly all other music software packages. If you produce Minimal House or just need some modern edgy sounds for your productions - minimal house from Loopmasters is just the ticket!

As usual with all Loopmasters CDs and download packs, all material contained within this release is royalty free to use in your music. Listen to the demo mp3 to get an idea of what's in the pack, and to see what great value and inspiration you get with the new Minimal House Samplepack from Loopmasters!
