

LOUNGIN HOUSE

4 GB LOOP LIBRARY - SPECIALLY FORMATTED FOR RMX AND REASON
fully compatible with any other WAV and REX2 reading software - ProTools/Cubase/Logic/etc

Want to delve deeper into the naked, intimate sound of House? Welcome inside the hypnotic and seductive grooves of Loungin' House. Luxurious dance floor beats, mixed with sexy latin style percussion, lush chords, samples and more.

2600 Rex2 loops and more than 5400 Wav loop & samples, all produced and recorded for Loungin House. This is the ultimate Breakbeat collection for any Stylus RMX & Reason user! The Rex2 Xpander series is an intuitively organized library specially prepared and organized for use within Stylus RMX and Reason, but of course also works with any other WAV and Rex2 reading software; Cubase, Logic, ProTools.

2616 Rex2 Drum & Music loops (24Bit)

Organized in Bassdrums, Snare-Clap-Rim, Hihat-Rides, Shakers, Congas, Percussion, Music & FX folders. Specially prepared and laid out for fast conversion to Stylus RMX format / Reason REFILL.

102 Rex2 Drum Kits (24Bit)

Sorted in different categories where all the drum sounds are laid out on four octaves on the keyboard. For creative drum programming in RMX & Reason -tune, pitch, filter, etc all drums in a kit at the same time.

503 Wav Drum & Music loops (24Bit)

Mixed and treated, grouped into Full-Solid, Hihat-Shaker, Percussion and Music & Fx loops. All matched to a few interactive BPMs and useable in any Wav reading software (Cubase, Pro Tools, Logic, Live, etc)

4960 Wav Drum, Music & FX Samples (24Bit)

Spice your groove with Dusty Rhodes Chords, Smooth and Warm Pads, Funky Basstones, Synths, Riffs and FX-Vox Noises. Here you also find the massive Drum Library. All creatively laid out for a easy and convenient conversion to a Reason REFILL.
