

Movie Dialogue Vol. 3

Movie Dialogue 3 is an inspirational set of 824 separate Wav samples taken from original early Film Dialogue, all licensed for use under the new Creative Commons license agreement.

The vocal samples have been taken from old movies and public information films and are categorised in folders with names such as "Cosmic Mission Phrases", "The Depression", "The Existential Bakery", "What No War" and "One Foetus Left". These samples are all 100% Authentic which means that whilst they have all been remastered, de-noised and de-clicked, they still retain artefacts from the original recordings, which we feel gives them a much more authentic sound!

If you need some inspiring vocal samples for your music, then Movie Dialogue includes a truly original set of some interesting and authentic dialogue from one of the most creative periods of TV and broadcast history. Suitable for Ambient, Lounge, Breakbeat, Trip Hop, Drum and Bass, House and all forms of modern musical experimentation. Sample Movie Dialogue today!

The Pack includes 824 Movie Dialogue Samples in 6 categories, with 11 patches in Halion, Kontakt, EXS24, NNXT and SFZ formats for easy auditioning.
