## TROPICAL TECH

*Tropical Tech* mixes Latin and Caribbean rhythms with leading-edge electronic production to create a priceless treasure chest of booty-shaking, kick-free loops for the modern club fiesta.

Producers of House, Minimal, Tech and Deep House, UK Funky, Bassline and Garage will be equally enthralled by this collection of 360 pristine WAV loops and REX counterparts, developed using **forward-thinking recording and processing techniques** and edited to ensure complete flexibility for loop creation and combinations.

A seamless, interchangeable sound palette of **hip-swaying Samba, Salsa, Soca and Baile Funk rhythms**, all at a multi-genre friendly 128 BPM, inviting you to **create literally thousands of rhythmic progressions with maximum simplicity.**

Generate a pulsating spine for your track in seconds with two or three samples, or spend a few minutes layering and leveling loops to create intricate, multi-drummer rhythms with unique depth, clarity and **sun-drenched tropical swing.**

As well as the premium Loop content, the collection features a comprehensive selection of single hits and one shot FX, including 200

acoustic hand clap variations, - perfect for making your claps really **stand out from the crowd.**

**Plus** an exclusive extra: a **bonus pack of 140 DJ- and producer-friendly loops**, which showcase a fraction of the combination possibilities.

*Tropical Tech* fuses superior quality 24 bit material with future-proof sound design concepts to deliver an easy to use and **hugely effective groove library.** Get ready to feel the heat, you're about to create the perfect tropical storm.
