

## Dubstep 1

Dubstep 1 from Loopmasters is a brand new Download Pack featuring over 170MB of brand new beats, bass, synths and Sound FX for new wave musicians, producers and DJs looking to incorporate some authentic Dubstep samples into their productions!

The term 'dubstep' was coined by Ammunition Promotions and first used on an XLR8R magazine cover that featured Horsepower Productions. It gained full acceptance with the Dubstep Allstars Vol 1 CD (Tempa) mixed by DJ Hatcha.

In 2007 dubstep producers are increasingly absorbing dub reggae sonic aesthetics - sub bass, reverb and delay - to forge a distinct path away from associate genres like drum & bass, house and breaks. Using different rhythmic patterns like the 2step and halfstep beat patterns (yet deployed in the same tempo range) dubstep can create senses of differing momentum within the same DJ set. At best, dub reggae sonic aesthetics also allow a broad range of new musical influences to be introduced with a sense of coherence.

This Pack was created by Toni Ann Gray of Bulletproof Breaks, and includes 15 atmosphere pads, 48 Dubstep Basslines, 30 Drumloops, 13 Sfx Hits, 17 Melody Loops and 50 Dubstep Drum Hits.

Also included are RMX compatible Rex2 Samples for all the Loops and 22 Patches ready to play in Kontakt, Halion, Reason NNXT and SFZ.

Presented here in Acidised Wav and Rex2 formats as a Zip file, simply download and enjoy using these samples immediately!

As usual with all Loopmasters CDs and download packs, all material contained within this release is 100% royalty free for you to use in your music, so make the tracks and fill the dancefloor with Loopmasters.

## Tech Specs

- 170MB Acidised Wav/Rex2 loops
- 48 Dubstep Basslines
- 30 Drumloops
- 30 Music and Sfx loops
- 22 'Out of the box' multi-format patches

## Dubstep 1

**Please Note:** When selecting the appropriate sample download version for your requirements the Zip (Full) format includes Acidised Wav and Rex2 Loops – all single (non looping) sounds and Sampler Patches for all compatible soft samplers listed. Apple Loops, Reason Refill and Ableton Live Packs contain all the samples from the collection, inc loops and single sounds. If in doubt we recommend you purchase the Zip(full) format which will work with Mac and PC computers, and with nearly all available music software packages.

## Licence Agreement

### Usage:

You can use any of the sounds here in your own musical productions without paying any further fees to the Artist or to Loopmasters. We would like to stipulate that if you use a sample from this product in your work, that you credit the Artist and Loopmasters in the credits that you supply with your music. We would also like to appeal to your better nature when it comes to piracy, and please ensure that no third parties have access to your sounds, besides being a criminal offence it also means that musicians don't get paid for the music they create for licensed users such as yourself. Thank you.

### Copyright/Licensing Notice:

All Rights not expressly granted to the user are reserved. The sound samples on this compact disc/download pack are licensed, not sold, to you to be reproduced within your original musical compositions only. All copying, lending, duplicating, re-selling or trading of this product or its content is strictly prohibited. Only the original purchaser of this product has the right to embody and reproduce the enclosed sound samples within their music compositions. Use of these sounds in multimedia projects is limited to use within original musical compositions. Any other multimedia use of these sounds must be cleared with the producer of this product prior to release. This license is granted for a single user only (and is given on a worldwide basis). The licence is non-exclusive and is granted for the full period of copyright protecting and sound samples. You cannot electronically transfer the sound samples or place them in a time-sharing or service bureau operation or a computer/sampler network. Opening this product constitutes your acceptance of these terms. The demo songs contained on the CD remain the property of Loopmasters and you are not permitted to remix, re-release, or redistribute this demo material without written consent from Loopmasters.

## About Loopmasters

Loopmasters officially launched early in 2003 with the aim of producing flexible sample libraries for producers and musicians who required top quality playing from seasoned professionals to integrate into and inspire their music.

Our challenge is to provide you with the best samples and music software that money can buy. Loopmasters Studio HQ is based in Brighton, England, a south coast town with a healthy music scene, and the producers that work on our material are of the highest quality, and come from all over the world.
