Human Beatbox

The Human Beatbox samplepack from Loopmasters is a consummate production from Daisuke Fuchigami from NYC, and has been recorded with attention to detail to ensure that these samples will find their way onto many progressive producers tracks!

With styles and tempos covered including Drum and Bass, Hip Hop, Rnb and Glitch, these loops are very flexible and there is even a selection of over 125 hits arranged into 2 superb kits to allow you the freedom and flexibility to program your own human beatboxing loops with your favourite sampler!

The Human Beatbox is an 80Mb download pack includes 278 Wav files, 150 loops in Wav and Rex2 Formats (ready for RMX), and also features 25 Drum and Bass loops, 38 Hip Hop Loops, 22 RnB samples, and 57 Pop loops alongside the 128 human beabox single hit samples arranged into two great patches for your favourite soft sampler!

If you are looking for a different form of percussive backbone to your track, or just fancy creating some beats with a different set of samples - the human beatbox download pack is a great option to add a bit of teh human touch to your productions, either layered with other drum sounds, or on their own - these samples will shine through and bring the human touch to your productions.

This pack includes acidised Wav Files, alongside RMX compatible Rex2 folders, soft sampler patches and SFz files, so whatever software or platform you use the samples will work on your system.

As usual with all Loopmasters CDs and download packs, all material contained within this release is 100% royalty free for you to use in your music, so make the tracks and fill the dancefloor with Loopmasters.

About Loopmasters

Loopmasters officially launched early in 2003 with the aim of producing flexible sample libraries for producers and musicians who required top quality playing from seasoned professionals to integrate into and inspire their music.

Our challenge is to provide you with the best samples and music software that money can buy. Loopmasters Studio HQ is based in Brighton, England, a south coast town with a healthy music scene, and the producers that work on our material are of the highest quality, and come from all over the world.
