Indian Drum Guru

The Indian Drum Guru samplepack from Loopmasters is a selection of awe inspiring live performances by the master of indian Percussions - K.V.BALA KRISHNAN. The performances were captured in India in late 2005, and these are some of the amazing loops and samples that KV has produced for Loopmasters featuring an exhaustive collection of the most widely used Indian Drums and Percussion.

The 75 Loops are presented in 44.1Khz wav format and also as Rex2 Samples for easy tempo and pitch adjustment to match your productions. There are 95 single indian drum and percussion hits arranged into 16 easy to use drum patches for Exs24, Halion, Kontakt and Reason NNXT samplers.

Born in a music loving family in 1964, K.V.Bala krishnan (alias) K.V.Balu is one of the few percussionists with an aesthetic sense of approach on Indian Percussion. He started his music career from childhood and started playing in the Ramakrishna Math for their Bhajans etc.

Later after finishing his graduation he became a full fledged professional musician. All of KVS experience and enthusiasm has been used in the making and recording of this exceptionally authentic Indian Drum Samplepack.
