

## Session Drums – Reloaded

Session Drums - Reloaded is an additional 75Mb pack to extend the session Drums CD Library on the Origin Series from Loopmasters and includes 70 Live Session Drumloops and from 75bpm to 150Bpm in wav format.

If you need real drums with feel and energy for your music, session drums brings you all the live drum loops you will ever need for Rock, Pop, Funk, Jazz, Soul, Indie, Dance and Breakbeat.

Session Drums is an inspirational selection of live played drum loops and patterns from session player Laurie Jenkins, a truly versatile drummer who has worked with the likes of Chaka Khan, Heather Nova, Mint Royale, Glen Scott and Howie Day amongst others.

Laurie's rock solid timing and superb feel made him an excellent choice when we were planning the CD, and he has come up with a truly versatile drum library with a unique feel and excellent production values that we know you will love using in your music, these drum loops have attitude!

The Library includes live drum loops played on Laurie's Yamaha Maple drum kit, with Zildjan cymbals, Aquarian Heads, Focusrite Red Pre-Amps and assorted Microphones to give a truly professional sound and feel. Compression has been used in the recordings and there are little or no effects added, meaning that you can easily manipulate the sound to match your requirements.

## About Loopmasters

Loopmasters officially launched early in 2003 with the aim of producing flexible sample libraries for producers and musicians who required top quality playing from seasoned professionals to integrate into and inspire their music.

Our challenge is to provide you with the best samples and music software that money can buy. Loopmasters Studio HQ is based in Brighton, England, a south coast town with a healthy music scene, and the producers that work on our material are of the highest quality, and come from all over the world.
