On Stage

The mission of the "Nord Modular G2 series - Vol. 02. - ON STAGE" - is to stimulate your imagination, you are standing at you desk in the arena, surrounding by your instruments and DJ setup, screaming crowd, lights, smoke, sweating, high volume, vibes - memorable and breathtaking moments of your life on stage!

You can create anthemic performances using the sounds of the On Stage sample bank. Dark basses, evolving pads, sharp arpeggios and screaming leads are all there to help you to sink into your fantasy and also helps you to make these ideas come true in front of your keyboard!

If you produce dance music, whether it's pop, dance, trance, house, techno, breaks, euro, nrg, electro, psy or drum and bass – you'll love the sounds available in this package. Everything is pre-mapped and looped, so you can stop wasting time and quickly find exactly the right sound to get the job done.

Realtime control possibilites are also added, just move the modulation wheel to change several parameters in real-time in order to make the sounds "breathe"! This unique and rich soundset also utilizes many features of your software sampler.

On Stage is a set of multisamples of our custom sounds for the Clavia Nord Modular G2 synthesizer. Clavia Nord Modular G2 is the ultimate synthesizer for creating unique synthesizer sounds. From the original classic analog sounds to any bizarre "sci-fi" drone texture the G2 offers a number of previously unavailable sonic opportunities.

Despite its bizarre complexity this instrument is the "secret weapon" of several famous top producers' and musicians' technical arsenal around the world.

Licence Agreement

Usage:

You can use any of the sounds here in your own musical productions without paying any further fees to the Artist or to Loopmasters. We would like to stipulate that if you use a sample from this product in your work, that you credit the Artist and Loopmasters in the credits that you supply with your music. We would also like to appeal to your better nature when it comes to piracy, and please ensure that no third parties have access to your sounds, besides being a criminal offence it also means that musicians don't get paid for the music they create for licensed users such as yourself. Thank you.

Copyright/Licensing Notice:

All Rights not expressly granted to the user are reserved. The sound samples on this compact disc/download pack are licensed, not sold, to you to be reproduced within your original musical compositions only. All copying, lending, duplicating, re-selling or trading of this product or its content is strictly prohibited. Only the original purchaser of this product has the right to embody and reproduce the enclosed sound samples within their music compositions. Use of these sounds in multimedia projects is limited to use within original musical compositions. Any other multimedia use of these sounds must be cleared with the producer of this product prior to release. This license is granted for a single user only (and is given on a worldwide basis). The licence is non-exclusive and is granted for the full period of copyright protecting and sound samples. You cannot electronically transfer the sound samples or place them in a time-sharing or service bureau operation or a computer/sampler network. Opening this product constitutes your acceptance of these terms. The demo songs contained on the CD remain the property of Loopmasters and you are not permitted to remix, re-release, or redistribute this demo material without written consent from Loopmasters.

About Loopmasters

Loopmasters officially launched early in 2003 with the aim of producing flexible sample libraries for producers and musicians who required top quality playing from seasoned professionals to integrate into and inspire their music.

Our challenge is to provide you with the best samples and music software that money can buy. Loopmasters Studio HQ is based in Brighton, England, a south coast town with a healthy music scene, and the producers that work on our material are of the highest quality, and come from all over the world.
