EXTENDED BIO

FIVE YEARS OF SOLID GROOVES AND UNFLINCHING PASSION

DELECTABLE RECORDS

Starting from 2006, Delectable Records has realized more than twenty five best quality digital releases per year, reaching great results as a lot of top ten positioning on the best selling worldwide chart, many broadcasting on radio shows and some showcases and live events with its artists.

The 2010 could be classified as a much more quiet year, but this doesn't mean that Delectable Records has not been active: think what a pity would be if twenty releases, which have reached a cult status, could only be listened by a inner circle.

The team has been focused on giving a fresh uplift to the label. The classic yellow, characteristic in all these years, has given the place to a still more fancy and snappy graphics new logo from which has started a new set productions highly esteem.

In addition, the collaboration with the new mastering and post-production studio: an experienced staff with technical skill and cutting - edge instrumentation able to assure standards in productions equal to the highest available ranking.

Another important work has been made on sales promotion, focusing on advanced web-marketing and accurate feed-back valutations.

So, the result is a progressive, twenty first century music entertainment company, that uses smart Internet strategies, while establishing uncompromising principles.

Now, Delectable 2.0 broad and diverse catalog is ready, just in time for the 5th anniversary of the label. So what's else? Check out what's in store!
