XRB

Formats: Reason Refill Wav

Genres : Breaks Broken Beats Chillout Downtempo Drum and Bass Drums Electro Electronica Glitch Hip-Hop House Techno Trance Dubstep Deep House Electro House Minimal House Funky House Psy Trance Garage

These drum samples were lovingly created using...Vintage drum machines, Acoustic Drum Kits and Percussion, Lo-Fi gear such as the SK1 and VL1 some Toy Percussion, and a whole studio full of gear!The XRB samplepack presents a huge collection of quality drum sounds to choose from...it includes sounds for every occasion, anything from Hip Hop and Breaks to Dub Step and DnB, or for any genre needing solid and sonically interesting drum sounds...Don't take our word for it...Listen to the audio demos.
Note the Wav version contains the original drum hits plus a bonus 278 Rex loops from the Refill version.
