You might not have known it at the time but the chances are you've danced to one of Chris Cowie's productions. Producing genre defying music across the spectrum of Trance, Tech-House and Techno, he's a man whose prolific musical outpourings have helped define the dance scene for over ten years. DJs as diverse as Jeff Mills, Laurent Garnier, Carl Cox, Danny Tenaglia and Paul Oakenfold cite him as an influence, and he continues to produce cutting edge music to this day. Known as the most licensed producer in club-land, having had over 150 releases and been signed to over 400 compilations. Described as "The Master of Funk Techno" by Carl Cox and "pure genius" by Danny Tenaglia, Chris Cowie instinctively knows how to rock the dance floor and this exclusive Sample-pack from Chris is full of some of the best sounds and samples from his studio in Aberdeen, UK. If you produce Techno, Trance, or Hard/Tech House Music then you will find a great slice of inspiration waiting for you in the new Chris Cowie Sample collection from Loopmasters, its packed full of some choice ingredients for producers working in the Dance Genre and the samples are sure to feature in many new releases throughout the dance community in the coming months. The collection features over 325 Samples, 230 Loops and 19 Patches for your favourite soft sampler, and everything has been made with the studio in mind and according to the tough quality standards which have made Chris one of the most published artists ever in the dance music world. With over 50 Bass Loops, 60 Drum Loops including full and broken down elements, including 32 Percussion Loops and 90+ single hit sounds, 60 Synth Loops, FX, Bass Sounds and Miscellaneous Musical Loops — you get a huge palette of samples all waiting to be used in your music. "Making this sample pack was definitely not as easy as I thought it would be. It could have been had I gone for a cop out but I'm putting my name to this so quality was very important!"

5/5 From DJ Mag "Awesome!"

9/10 From Computer Music Mag 325MB Sample Pack feat 326 Acidised Wav Samples, 230 Rex2 Samples and additional Apple Loops format available.
