

## Drum Drops In Dub Vol 2 Pack 1

Formats: Wav Acid Rex2 Apple Loops Multitrack

Genres : Drums Dubstep Dub Reggae Chillout Downtempo

Horseman needs no introduction! His hard-hitting beats have backed the best Reggae artists in the business; Max Romeo, Little Roy and many more. Percussion is played by Norman Grant (Twinkle Brothers) and Tuca Rainbow.

Famous for his precision timing and fearsome delivery. Having worked alongside producers and engineers like Jah Shaka and Mad Professor has guaranteed his status both in the studio and on stage. Horseman rips into his favorite grooves from old Studio One classics to heavyweight Dub.

This is the first in a series of re-mastered sessions from Horseman which originally formed the complete Drumdrops in Dub volume 2 collection. Drumdrops in Dub Volume 2 &ndash; Loop Pack 1, consists of 2 full drum loops played by Horseman as part of these sessions, which were recorded through full vintage neve consoles and using only authentic valve equipment including Vintage Orban and Grampian Spring reverbs (see Drumdrops website for more information).

The samples in the pack are from the first two tracks of the session, a&nbsp; 65 bpm Onedrop with rimshot, timbale rolls and bongos, and secondly a full 69 bpm Funky One drop with rim shot, tambourine and bongos.

There are 2 options to select when purchasing this pack &ndash; if you use Cubase, Logic, or Pro Tools you may choose to purchase the full Multi-Track version, which includes separate Kick, Snare, Hat, Toms, Overheads, Percussion and FX channels.: Includes tempo-mapped ProTools LE, Logic 6 and Cubase SE session files and tempo map so that you get unprecedented control of the Mix, EQ and overall sound just like you are the studio engineer at the session!

For those of you looking for easy to load loops and samples for Reason, Cakewalk, Sonar, Soft Samplers or Ableton Live etc &ndash; you should choose the Sample Pack which has a carefully selected batch of 20 Loops from each of the two tempos available in Wav, Rex2 and Apple Loop Formats, alongside a selection of more than 65 carefully cut one shot drum samples, ready for you to program your own beats.

Whatever format you choose, you will be getting the most authentic Reggae and Dub drumloops currently available in flexible formats so you can adapt easily in your software to fit the music you are working and get the real roots flavor captured in the most authentic fashion by one of the worlds best drummers in his style! Watch out for more releases coming soon from Loopmasters and Drumdrops.
