Formats: Wav Acid Rex2 Reason Refill Live Pack Apple Loops Halion Kontakt EXS SFZ Stylus RMX Live Presets NNXT GarageBand

Genres : Electronica House Deep House Minimal House Tech House Techno Trance Electro House Artist Series Progressive House

Few DJs and producers can claim as much diversity as Nick Riley and Andi Durrant. With influences including Angello, Ingrosso, Laidback Luke and Axwell, Herve, Ferry Corsten, Paolo Mojo, Lutzenkirchen and Dubfire, its no wonder we had to label this samplepack 'Progressive House Producer'. With support for their music coming from DJs as wide ranging as Laurent Garnier, Armin Van Buuren and Sander Kleinenberg and their tracks and remixes on record labels as far apart as house stalwarts CR2, Positiva and Data to trance imprints Black Hole and Maelstrom, Riley & Durrant are one of the UKs most exciting electronic exports. See for yourself at <http://www.myspace.com/rileyanddurrant>The duo have had much success in the studio and continue to DJ worldwide, their House influences range from Tech, Minimal, Deep, Electro and Progressive, along with Trance and Techno - you will find evidence of all of these styles in this excellent and highly versatile sample pack exclusively created for Loopmasters. Included in this brand new and original sample pack you will find over 330MB of pristine house samples, with over 300 Wav sounds, 130 Rex2/Apple Loops and 46 ready to play patches for your favourite soft samplers. There are 14 Club ready House Loops, 83 Banging Drum Loops, 33 Filtered Synth Loops, 20 Bass Hits, 80 Single Drum sounds for programming your own loops, 59 Dance FX and 20 Synth Hits! If you make Progressive House music influenced by the cutting edge music played by the top DJs of the moment, and need the tools to take your productions to the next level of sonic clarity and dancefloor pressure — sample Progressive House Producer from Riley and Durrant today!
