Modern day drum and bass is more popular than ever before, with new producers constantly raising the bar on production techniques and next level engineering its hard to keep up with an underground scene which is constantly moving and evolving. The Drumsound and Bassline Smith Artist Series Sample CD from Loopmasters is designed to give you the tools and inspiration to write a classic and to take your production levels to the elusive next level and hopefully straight in to the drum and bass hall of fame! Drumsound and Bassline Smith have spent the last ten years working together, building a huge musical library, tweaking their production values and using their combined experience and musical knowledge to create an awesome eclectic collection of samples so you can be sure, as always, that the goods are delivered. The Leads are Fierce, with Rich Pads and Deep Bass sounds, and the Drums are so Big, Bad and Heavy they will cut through and put the finishing touches to any mix.. Each section provides an intelligent approach to tune arrangement with sections for Drones / Sfx / Pads / Leads and of course Drums and Bass, all mastered carefully to Loopmasters exacting standards to ensure you can start working with these awesome sounds without delay! All of our sounds have been carefully tested by us on the packed dance-floors we play on around the world over the last 12 months to ensure that we are giving you the genuine article everytime.. guaranteed! In essence, whatever your style, be it dance-floor jump up liquid funk, ambient or dark, this exclusive collection from Drumsound and Bassline Smith holds the key for any modern day eclectic drum and bass pioneer searching for inspiration and hardcore dance-ability in their productions!

Please Note: When selecting the appropriate download version for your requirements the Zip (Full) format includes Acidised Wav and Rex2 Loops – all single (non looping) sounds and Sampler Patches for all compatible soft samplers listed. Reason Refill and Ableton Live Packs contain all the samples from the collection, inc loops and single sounds. If in doubt we recommend you purchase the Zip(full) format.
