

Drum n Bass Rough Connections Vol2

Formats: Wav Rex2

Genres : Breakbeat Breaks Drum and Bass

Industrial Strength Records and BHK Productions are proud to present Rough Connections Volume 2. This slamming follow up sample pack is jam-packed with loads of single, prevailing and perfectly cut drum loops suitable for use in any electronic production.

Prepare your eardrums for this full-on D&B onslaught featuring 100s of sleazy basslines, slinky breaks, ripping FX and filthy music loops.

This sample pack is an essential tool for any Producer - so don't pass it up! All sounds are directly available & clearly labeled in a high quality WAV format plus each pack contains a variety of Reese bass, sub-bass pads for creating your own proper deep bass lines.

Rough Connection Vol 2 also contains a truly massive collection of kicking Music Loops, inspiring Sound FX, and a new Atmosphere sound folder perfect for modulating or refining your sounds to utter perfection.

The drum loops are also provided in REX 2 format for easy use in any DAW or Software Sampler. All sounds are key and tempo labelled for your ease of use. Drum loops are presented as Wav and Rex2 loops.
