

BHK Tech House Samples

Formats: Wav Rex2

Genres : Electronica House Techno Tech House

BH-Krew is back to beef up your electronic music productions once again. This time around sound designer Alex Borel dives into the world of Tech House, by fusing the best elements of this popular style of electronic music into this ultra useful sample pack.

The pack contains 160 MB of pure electronic sounds, BPM Keyed Drum Loops, Drum Hits, inspiring EFX loops, pulsating Synth Bass Loops, unique Synth sounds, Music Loops and of course banging Drum Loops in REX format to keep your grooves tight as sealed drum.

If you're making House, Dance or Techno productions and your looking or an extra edge to your mix or production BH-Krew's Tekhouse Sample Pack is what you need in your sample library to get it going with no fuss.

All sounds and samples are at 44.1Khz 16 Bit Stereo wav files for easy use in any sequencer or sampler. With a total of 333 Samples, this pack is sure to kick up your productions with a great selection to choose from.

Drum loops: Driving kicks, tight snares, dirty hats and wonky percussion in 54 immaculately programmed drum and top loops.

Music loops: 57 gnarly synth riffs and menacing acid drones.

Synth bass: 17 pulsating subby synth bass loops.

FX and stabs: 100+ twisted stabs, cone-melting noizes, dubby dives and filthy phatulence.

Drum hits: 36 spanking hits including kicks, snares, hats and cymbals.
