Formats: Wav Live Pack Apple Loops MPC

Genres : Hip-Hop Dubstep Bassline Dub Reggae

We're back with our latest sample pack, and this one's hotter than ever. Over the last few years Reggaeton music has seen a massive rise in popularity across the world, and it shows no signs of stopping with huge hits such as Daddy Yankee's "Gasolina" and Pitbull's "I know you want me". Artists such as LunnyTunes, Noriega, Eliel, Don Omar, Alexis & Fido, Angel & Khruz, Nina Sky, Nicky Jam, Zion, RKM & Ken-Y, Voltio, Calle 13, Hector "El Father", Wisin & Yandel, Tito "El Bambino" and many others have achieved huge success already, and with Reggaeton being a relatively new genre, there's plenty of room for new artists to break through.

Reggaeton Producer Grooves is here, and you're going to love what's in store for you inside this King-Sized collection of over 150 Loops arranged into 22 Platinum Reggaeton Construction Kits - all the tools you need to create the biggest club hits, right now. Alongside the beefy bouncy Latin drum beats, percussion, snare rolls & intricate hi-hat flares, you will also find the hottest synth hooks from the industry's leading synths, royal orchestra licks, hot ethnic instruments, and much more.

Each Groove contains 10-20 matching loops, for example, one groove may contain: synth lead, drums, synth, orchestra strings, and so on...all of which layer perfectly together, and can be arranged, remixed and edited any way you wish - instant results and pure heat every time. Everything has been mastered & optimised to chart standards in crystal clear 24 bit audio - this release possess huge potential for maximum exposure in the right hands. Our Grooves Series has been very popular, and has been used by top producers from all corners of the globe, we know that you won't be disappointed when you discover what's waiting for you in this mammoth royalty free download production package. If you're a DJ, Producer, MC or artist, inject the platinum sound of today into your productions and grab yourself a deal with Reggaeton Producer Grooves.
