

## BHK Special Edition Vol2

Formats: Wav REX2 Apple Loops

Genres : Breakbeat Breaks Drum and Bass

Industrial Strength and BHK Samples present the follow up Edition to our best selling D'n'B Sample Pack Collection BHK S.E. Our new pack delivers a fresh new set of authentic DnB elements that will rock in any soft sampler or DAW.

SE 2 includes all you need to produce various styles of Drum'n'Bass in one sample pack. The pack contains everything you need to create a full production or to add a little sizzle to your productions. It's all at your finger tips.

BHK packed a total of 152 brand new various samples. The pack contains Ass Shaking Drumloops, modulating Reese Pads, Sick FX Sounds, and of course cool Atmospheric Synth sounds. Samples are labeled in BPM and key for easy use in the studio.

All samples are recorded in 24 bit 44.1k for even cleaner sounding breaks.

It Doesn't matter if you're a beginner or a sophisticated producer, or if you're just looking for dope samples to make DnB in your home studio. Look no further, BHK's S.E.2 will be your new go to sound source for Drum n Bass!

Thanks Again BHK & The ISR Team
