Loopmasters are proud to present the Underground Minimal sample collection from 6pod9, created from analogue machines and treated to liberal doses of fx, compression and editing to form an impressive collection destined for producers worldwide looking for quality 24 bit micro-edited sounds and minimal samples to enhance their Minimal, Tech, Tribal and Techno productions.

Luis Burdallo aka 6pod9 has used all of his skills and excellence to create here a huge collection of minimal samples weighing in at over 600MB and including 365 Sounds and loops which are available in multiple formats suitable for all modern music applications and including 3 patches for soft samplers including Reason NNxt, Halion, Kontakt, EXS and SFZ.

Inspired by Labels such as Minus, Cadenza, FHD, 303 Lovers and Flat Belly Recordings, and artists including Luciano, Ricardo Villalobos, Slam, Gaiser and Claude VonStroke; expect high quality sounds and samples for the DJ and Production elite, made with care and attention to detail and a wealth of studio knowledge.

Included in this original collection of Minimal samples you can expect to find over 600Mb of 24bit content which includes 35 Topy Loops, 139 Minimal Beats, 49 Bots/Glitch Loops, 24 Synth Loops, 49 Bass Loops, and 70 Single Drum Samples.

If you are looking to produce Minimal House, Tribal Tech, Tech House or Techno and need some source material from one of our best producers; then look no further than this future classic release from Loopmasters.

Available in various formats including the main pack which includes Acidised Wav Samples, Rex2 Files, and Patches for all most samplers; also available is the Apple Loops version, plus Reason Refill and Ableton Live Pack!

Please Note: When selecting the appropriate download version for your requirements the Zip (Main) format includes Acidised Wav and Rex2 Loops; all single (non looping) sounds and Sampler Patches for Kontakt, Halion, Nnxt, Exs24; soft samplers; Apple Loops are not included, and must be purchased where available as a separate downloads. Apple Loops packs also include any single hits and EXS patches where applicable. If in doubt we recommend you purchase the Zip(main) format which is usable with nearly all music applications and software.
