

African Rhythms

Formats: Wav

Genres : House Percussion World Afrobeat Tribal House

African Rhythms is the 3rd release in Wave Alchemy's MicroPack series. Produced with authenticity in mind, Wave Alchemy's African Rhythms captures the sound of Senegal, Africa with over 130 percussion loops and ensembles carefully recorded in 24bit using a variety of rare microphones and sought-after outboard equipment.

African Rhythms features an array of West African hand drums. The drums themselves have been passed down through many generations giving you a rare insight into authentic African culture and musicianship.

All loops have been recorded in tempo groups ranging 125, 127 and 130 beats per minute making them ideal for any genre of music or film score that requires an up­beat or authentic feel.
