

Thomas Penton Essential Series Vol1

Formats: Wav

Genres : House Techno Tech House Progressive House Drums
Electronica Electro House Funky House

Over the past fifteen years, Thomas Penton has established himself as a premier DJ and producer in the electronic music industry. His works have earned strong support from some of the world's biggest DJs, including Paul Oakenfold, Sasha, John Digweed, Dave Seaman, and Chus and Ceballos. His extensive discography includes releases on some of the industry's most respected record labels such as Perfecto, Intenso, Stereo Productions, Sutil, and Baroque. Now, with the release of his complete Essential Series sample collection, Thomas is putting his signature production sound at your fingertips!

Thomas Penton's complete Essential Series is a three-volume masterwork that sets a new standard for quality in sample collections. This first volume, "Drums and Percussion", provides a definitive assortment of high-quality percussive elements, including hundreds of kickdrums, snares, claps, shakers, and more.

Thomas has meticulously crafted and mastered each sound in his Essential Series collection to provide you the highest quality ingredients for your productions. His Drums and Percussion samples will give you the beats you need to take your music to the next level.
