

Thomas Penton Essential Series Vol2

Formats: Wav

Genres : House Tech House Progressive House

Over the past fifteen years, Thomas Penton has established himself as a premier DJ and producer in the electronic music industry. His works have earned strong support from some of the world's biggest DJs, including Paul Oakenfold, Sasha, John Digweed, Dave Seaman, and Chus and Ceballos. His extensive discography includes releases on some of the industry's most respected record labels such as Perfecto, Intenso, Stereo Productions, Sutil, and Baroque. Now, with the release of his complete Essential Series sample collection, Thomas is putting his trademark production sound at your fingertips!

Thomas Penton's complete Essential Series is a three-volume masterwork that sets a new standard in quality for sample collections. This second volume, "Loops and Effects" delivers a lush array of drum loops and sound effects to expand your artistic repertoire.

Thomas has meticulously crafted and mastered each sound in his Essential Series samples to provide you the highest quality ingredients for your productions. His Loops and Effects collection will give you the sounds you need to take your music to the next level.
