From being a shy, talented DJ playing his trade as resident at his local club, to becoming a global superstar, the rise and rise of Nic Fanciulli has been well documented. He has graced countless covers of the most respected dance publications whilst his name repeatedly pops up when clubbers discuss the finest DJ talent in recent years.

With a list of achievements that already overshadows many DJs ten years his senior, its clear that Nic Fanciulli has proven how combining genuine talent with dedication can go a long way. And whilst his record label, residencies, productions and compilations continue to open the ears of thousands of people across the planet, the fact he has a whole host of future projects up his sleeve reveals the best is still to come'.

Global Underground's star, the headmaster at ClubClass events, Mr. Nic Fanciulli himself, has now entered new territory with an exclusive sample pack.

All House fans will find a rich assortment of audio blocks to choose from in this original GU release. Bass loops, Drum loops, Musical loops and nearly 320 one-shot samples included in this sample pack are bound to satisfy your desire for a modern sounding, bullet-proof house collection.

Nic Fanciulli:

"Through creating and compiling this CD I aimed to supply you with the perfect audio library to use at your disposal in creating your tracks. There are an extensive range of drum loops, both broken beat as well as 4:4 alongside lead and bass sequences as well as many FX patches to use in your creations. Use the samples to your desire, whether it's keeping the raw percussion loop or running a white noise fx through a reverb plugin to create the biggest of atmospheric effects."

Please Note: When selecting the appropriate download version for your requirements the Zip (Main) format includes Acidised Wav and Rex2 Loops &ndash; all single (non looping) sounds and Sampler Patches for Kontakt, Halion, Nnext, Exs24&nbsp; soft samplers. Reason Refill, Ableton Live Packs and Apple Loops are not included, and must be purchased where available as a separate downloads. Apple Loops packs also include any single hits and EXS patches where applicable.If in doubt we recommend you purchase the Zip(main) format which is usable with nearly all music applications and software.
