

Tropical Tech

Formats: Wav Acid Rex2

Genres : Afrobeat Electro House Percussion Deep House Tech House Progressive House Cinematic Tribal House Minimal House Funky House

Tropical Tech blends Latin and Caribbean rhythms with cutting-edge electronic production to create a priceless treasure chest of booty-shaking, kick-free loops for the modern club fiesta!

Producers of House, Minimal, Tech and Deep House, UK Funky, Bassline and Garage will be equally enthralled by this collection of 360 pristine Wav loops and Rex counterparts, developed using forward-thinking recording and processing techniques and edited to ensure utmost flexibility for loop creation and combinations.

At your fingertips will be a seamless, interchangeable sound palette of hip-swaying Samba, Salsa, Soca and Baile Funk based rhythms, all at a multi-genre friendly 128bpm, inviting you to create literally thousands of rhythmic progressions with maximum simplicity.

Generate a pulsating spine for your track in seconds with two or three samples, or spend a few minutes layering and levelling loops to create intricate, multi-drummer rhythms with unique depth, clarity and sun-drenched tropical swing.

As well as the premium loop content, the collection also features a selection of single hits and one shot fx, including 200 acoustic hand-clap variations, perfect for making your claps really stand out from the crowd.

Plus an exclusive extra: A bonus pack of 140 kick-free demo loops to showcase a fraction of the combination possibilities. Tropical Tech fuses superior quality 24 bit/44.1khz material with future-proof sound design concepts to deliver an easy-to-use and hugely effective groove library, guaranteed to set the dancefloor on fire.

Get ready to feel the heat, you are about to create the perfect tropical storm!
