Loopmasters and Multiverse Studios have teamed up to create the latest contemporary collection of the finest royalty free Dubstep Samples for Producers worldwide looking to take a trip on the Dark Side!

Since James Ginzburg founded Multiverse studios the roster of labels, producers and composers has grown to include seminal releases from artists such as Pinch, 2562, Vex'd, Skream, Loefah, Joker and Tectonic (their flagship Dubstep label), and is now widely recognised as having played a significant role in the Dubstep genres worldwide growth and success.

Loopmasters managed to enlist the services of Ginz, Pinch, Moving Ninja and Skinnz from Multiverse to combine forces on this project and present a Dark and Tearing collection of Deep and Rhythmic Beats, Basslines and Textures for modern Dubstep producers to sample.

In this huge collection you can expect to find over 500Mb of 24Bit Dubstep Samples, including 450 Samples, 220 One shots, and 200+ Loops. Also included are 82 Ready to play patches for software samplers including Reasons NNxt, Halion, Kontakt, EXS (+16 Bonus patches) and SFZ.

Included here you will find 20 Full Construction Kits created by the artists, and typically each including Dark Basslines, Tearing Synths, Full and Broken down Drum Loops, FX and variations for total flexibility. You will also find an abundance of Melody Lines, Chords, Pianos, Strings, Harmonies and Variations to complement your mixes, then all of the single hit samples to enable you to program brand new drumloops and music parts from the sounds — giving you total freedom to create the next big Dubstep anthem!

All samples have been fully quality checked at Loopmasters HQ, and producers also have the option to choose Reason Refill, Apple Loops, or Ableton Live formats if preferred. Check out the demo now and be one of the first to experience this fantastic collection.

Please Note: When selecting the appropriate download version for your requirements the Zip (Main) format includes Acidised Wav and Rex2 Loops — all single (non looping) sounds and Sampler Patches for Kontakt, Halion, Nnxt, Exs24 soft samplers. Reason Refill, Ableton Live Packs and Apple Loops are not included, and must be purchased where available as a separate downloads. Apple Loops packs also include any single hits and EXS patches where applicable. If in doubt we recommend

you purchase the Zip(main) format which is usable with nearly all music applications and software.
