

Indian Sessions Vol. 2

Formats: Wav Acid Rex2 Apple Loops GarageBand

Genres : Chillout Downtempo Electronica Percussion World Cinematic

Loopmasters have teamed up with renowned Indian percussionist KV Bala Krishnan to put together this supreme collection of Indian percussion, Indian vocals and Sitar samples for producers worldwide looking for authentic royalty free Indian samples to integrate into their productions.

This is the second of a 2 part series which sees KV team up with local Indian musicians and vocalists from Chennai to extract pure melodies, grooves and rhythms from Indian culture and traditional music, but with an eye on popular western tempos and time signatures in order to create a palette of sound which will work well when fused into modern genres.

This is truly an authentic collection of samples recorded and produced in India exclusively for Loopmasters, which have been mastered centrally at Loopmasters studio to ensure maximum compatibility with all music applications and is presented in multiple formats for easy manipulation by you the producer.

Within this superbly recorded collection expect to find 900+MB of 24Bit Indian samples including, over 330 Samples, 335 Loops and producers will find 87 Female Vox loops, 61 Male Vox Loops, 159 Percussion Loops, and 28 Sitar Loops, all oozing authenticity and royalty free to add to your productions.

The tempos range from 75 –128 bpm and the percussion, masterfully played by KV himself includes loops of Bass Dholak, Dukki Tarang, Finger Cymbals, Ghata Singari, Ghatam Pot, Salangai, Shakers, Tabla, Tambourine, Triangle, amongst others. Single Hit Samples and patches are found in volume 1 from the collection.

Moving on to the Sitar section you will find a selection of Ensemble, Sitar Jaala, Phrase and Taraf Harp Loops. Vocals are also exquisitely presented in various folders including Female vocals presented as Classic Aalap, Kalyani, Raag and Shivaranjini loops alongside light style loops and phrases. Male Vocals include Amarnath, Mantra, Carnatic, Classic and Film Loops, alongside phrases and single shouts.

If you are working in Film, TV or broadcast – or are in need of a fantastic selection of fresh and original Indian samples from the heart of the Indian music scene to integrate into music of all types, then check out the Indian Sessions from Loopmasters today!
