

Fistful Of Drummers Vol. 2

Formats: Wav Acid Rex2 Reason Refill Apple Loops

Genres : Drums Breaks Funk Soul Hip-Hop

Fistful of Drummers contains over 400 loops organized into RX2, WAV and Apple Loops file formats. The packs include Dry and FX mixes, with loops 2-4 bars long and 40 tempos to choose from. Fistful of Drummers has a stylistic bias to the past, and contains covers of classic beats cut between 1960 and 1979 including Rare Groove, Funk, Vintage Soul, Bombastic 70s Rock and early Hip-Hop. Featuring Nasser Bouzida from the cult Blow Up recording stable and Jim the Lick Kelly with guest appearances from Style Scott and Jan Kincaid from the Brand New Heavies. If you're a composer, producer, re-mixer or musician these beats will provide endless inspiration.

Please Note: When selecting the appropriate download version for your requirements the Zip (Full) format includes Acidised Wav and Rex2 Loops – all single (non looping) sounds and Sampler Patches for all compatible soft samplers listed. Reason Refill and Ableton Live Packs contain all the samples from the collection, inc loops and single sounds. If in doubt we recommend you purchase the Zip(full) format.
